

### How Much Are You Losing (Saving) With Your Employment Screening Program?

Your employment screening program meets your budget. But that doesn't mean it meets your needs. And when candidates who are dangerous, dishonest or

have a history of poor work performance slip through the cracks, they attack your bottom line. *hrSafe China* will tailor a screening program that

leverages the latest technology and addresses the risks and liabilities facing your company, your industry and your staffing levels.

### About *hrSafe China*

Launched in 1996, *hrSafe China*, as a service offered by *Sunfaith Risk*, became an innovative pioneer in the employment screening industry in China. We

are committed to providing the most effective and accurate screening solutions available from any source. Based on a strategic approach, backed by

proven metrics, *hrSafe China* reduces the risks associated with organization-wide hiring programs and returns significant savings to the bottom line.

### Our Services

*hrSafe China* became a leading provider of employment screening services through consistent innovation and a strategic commitment to our clients' business goals. We help reduce the risks faced by large, diverse employers nationwide.

Our consultative approach focuses on assessing the different levels of risk associated with different staff positions in your organization and crafting an effective screening standard for each. This approach not only reduces your overall liability, it returns substantial savings to the bottom line by reducing the cost associated with re-hiring, shrinkage and bogus Workers' Compensation claims.

Our services provide an on-going program, including FCRA compliant check and background screening, that protects your workplace and your employees.

Whatever your employment screening or background check need, *hrSafe China* has the service solution to meet your need. Choose from a variety of sources and a variety of methods to create the solution that is right for you, each and every time.

Access to data sources is one thing, delivering useful information accurately, timely and in a manner that is actionable is what sets *hrSafe China* apart from other providers. *hrSafe China* is your solution provider for employment and background check information delivered fast, accurate and legally compliant.

Get started today and experience the *hrSafe China* difference!
